

## **E mail to North Kawartha Council Sept 5 2022**

**Just reviewing the North Kawartha Council agenda for tomorrow and found a concerning recommendations for the Economic Development officer**

**Chris Challenger being ..... “that Council pass a bylaw tomorrow Sept 6 to authorize Mayor Amyotte and Clerk to execute an agreement with Rogers**

**for the construction and operation of a telecommunication tower” at the four corners!!! See map below**

**Hard to image a more politically offensive site immediately adjacent to and abutting 8 premium Jack Lake waterfront properties. Look like a cruel joke!!**

**Ninety waterfront property owners would be required to drive immediately adjacent to this tower installation when accessing or existing entering this waterfront neighborhood.**

**Is the Economic Development Officer, Chris Challenger, setting up several existing councilors to be defeated in the upcoming election next month !!**

**AND HERE IS PROPOSED LOCATION AT GATEWAY TO OUR COMMUNITY !!!!**

I saw a significant red stake at this location a few weeks ago but never dreamt it would be for a proposed cell tower!!!! ..

**Mayor Amyotte did not respond to my request that township allocate temporary brush depots for storm debris but behind the scenes has been plotting to use township lands to make money from Rogers at expense of the aesthetics of our neighborhood. Take a look at the cell tower near the Community Centre..... high on a hill and..... just image the impact that would have of the entrance to our neighborhood**

**Council should not pass or defer... but rather reject the proposal from your Economic Development Officer for this proposed cell tower location...and going forward and process be in place to engage interested ratepayers on Jack Lake regarding proposed Cell tower locations and design to improve area telecommunications while respecting affected property owner's concerns.**

A handwritten signature in black ink, appearing to read "Ambrose Moran". The signature is fluid and cursive, with a large initial "A" and "M".

**Ambrose Moran**
