Subject: RE: North Kawartha State of Emergency Inquiry

Hi Ambrose, NOTE GREEN inserts and yellow highlights by Ambrose

For future reference, please be aware that to email staff, you select "Contact Us" at the top right of the website home page, there you will find a staff directory and by clicking on the individual staff names a drop down will be displayed where you can select the email option. Email addresses are not included on the website to avoid "spam" emails. For further clarification, staff email address formats are all the same. The first name initial, followed by a dot or period, last name in full @northkawartha.ca. (ex. c.parent@northkawartha.ca; a.solman@northkawartha.ca)

Alana has been out of the office this week on Township business and will be returning on Friday. **Under state of emergency it is business as normal** On Friday she will be in meetings for most of the day. In her absence I am responding to your email below and can advise you that the **Township currently does not have the information available that you are requesting.** Please be aware that the emergency situation is ongoing and the **information you are requesting is not currently available 3 ½ weeks after storm Township does not know what damage to municipal properties and idea of cost and does not know how much money in North Kawartha reserves** The Municipal Control Group has been meeting regularly, media releases and Mayor's videos are being provided as information becomes available for the public. You can access media releases at this link: <https://www.northkawartha.ca/en/our-services/storm-news.aspx> .

Connie
